

CAREER OPPORTUNITY WITH AN INDUSTRY LEADER

At K-Line, our core values of Safety, Quality, Integrity, Operational Excellence and Customer Satisfaction are the foundation of everything we do. As a premier high voltage electrical contractor, our mission is to provide exceptional value to our utility and related partners through an unwavering commitment to these K-Line values. Proudly awarded Gold Standard as one of Canada's Best Managed Companies, K-Line continues its quest to be the premier Canadian owned utilities solutions company. We currently have an opportunity available to be based out of **Stouffville, Ontario** for the new position of:

APPRENTICE POWERLINE TECHNICIAN (LEVELS 1—4) (UNION POSITION)

Responsibilities

- Assist in the construction, maintenance and troubleshooting of electrical overhead and underground distribution systems, transmission systems, communication networks and substations, and related components; and use all associated tools and equipment
- Assist with line maintenance in a safe and efficient manner utilizing de-energized, live line rubber glove, stick, and bare hand techniques
- Maintain a safe working environment in accordance with safety legislation, company standards, policies and procedures and approved safe work practices
- Perform regular vehicle inspections, traffic control set up and equipment inspections as per the MOL and MTO Hwy Traffic Act and K-Line's policies
- Assist in operating, installing, maintaining and repairing voltage controlling, protection and metering equipment and streetlighting systems and components
- Assist with inspecting and testing overhead and underground power lines, cables and auxiliary equipment using electrical test equipment
- Operate company equipment such as RBDs, aerial devices, pole and cable trailers, tension machines and other motorized devices to provide for safe and efficient installation of electrical distribution and transmission equipment
- Use climbing techniques to work aloft to install, maintain and repair associated equipment and hardware
- Maintain good public relations with persons inside and outside the company
- Maintain personal and group safety at all times
- Respond to unscheduled outages as the result of weather, component failures, etc.
- Be a positive team member through open communication and active participation in crew tasks
- Respond to on-call duties when required

Experience & Education

- Minimum two (2) years' experience in a construction environment
- Minimum valid DZ Driver's licence
- Post-secondary education in a related field is an asset

Skills

- Mechanical aptitude with comfort and familiarity with tools
- Ability to climb poles, work at heights and work in extreme weather conditions for extended periods of time
- Strong communication, teamwork and customer service skills
- Excellent problem-solving skills
- Safety focused with strong attention to detail

Company Overview

Celebrating 50 years of Business Excellence in 2017, the K-Line Group of Companies provides complete, one-source solutions for the high voltage and related sectors. Comprised of eight industry-specific divisions, we offer one-source expertise in engineering, design, procurement, construction, commissioning and maintenance of high voltage power delivery systems, including temporary power services, independent laboratory testing and complete fleet repair and refurbishing services. K-Line was established in 1967 and is registered to the ISO 9001 Quality Management Standard and OHSAS 18001 Health and Safety Management Standard.

The K-Line Group is an equal opportunity employer. Upon request, accommodation will be provided for persons with disabilities through all stages of the recruitment and selection process.

We thank all applicants for their interest in this opportunity. Only those candidates who are selected for an interview will be contacted.

No agencies please.
